Technical Memo T1

Re: 02A12.01

To: Customers of the Eight Piece Farm Tractor Set
From: Garrett Wade Customer Service

Thank you for ordering the Eight piece Farm Tractor Set. We expect you will have a great time with this delightful set. Please allow for a few common-sense observations:

- The set should not be used by those under the age of three.
- Do not over-tighten the driving spring of the tractor; too much force could damage the mechanism.
- Do not force moving parts; for example, move the gear shift firmly, but never force it; it will go into all four gears.
- Have fun, but do not be “heavy handed” with this set; it is very well made, but is not designed to accept abuse.
