Technical Memo T62

Re: 05R02.08

To: Customers of the 7 Pc. 4-Flute Deep Hole Bit Set
From: The Garrett Wade Technical Department

Recently, we received an incorrect shipment from the manufacturer of the Seven (7) Piece Deep Hole Bit Set. The sets we received mistakenly included bits sizes 7/8" and 1-1/8" in place of bits sized 1/2" and 1-1/2", as intended and as described in the catalog. As soon as we discovered the error, we ordered the correct sizes – 1/2" and 1-1/2" – and include them here, along with the originally received set.

Please keep the two extra bits, with our compliments and gratitude.

Thank you,
