

Garrett Wade 38A04.02 Sprinkler

Connect Quick Connect to your garden hose and then connect to the sprinkler

- A** Tab up (looks like a paper clip) will spray 360 degrees. placing the tab control in the down position allows you to set the area right and left.
- B** To set a specific area to spray set B tabs (there are 2) one for left and one for right, rotate 1 for the area to the left and the second for the area to the right.
- C** Turn water on, adjust the small screw to the desired distance.
